

# Bryan & Sheena

Hi there, Thank you for taking the time to have a quick glance into our lives!

Bryan and I are thrilled to be expanding ours through adoption. After a 5 year struggle with infertility we have chosen the path of adoption and we are thankful to have the opportunity to create a family in such a special way.

We were married in 2014 while surrounded by all of our family and friends who continue to support us in our journey. Both of our families are extremely supportive and eager to watch us become parents

Bryan works as a heavy duty mechanic at a local shop. He also runs a small side business with his dad. Bryan has a great work and life balance which allows for a lot of quality family time and memory making!

Sheena works for an elementary school as an Education Assistant. She has a love for education and loves working with children. She enjoys spending time with their families during school holidays. Sheena plans to take some time off when the baby arrives!

Picture above: A beautiful hike that we did while we were on one of our many road trip adventures.

Picture below: Bike ride on a trail we heard about so we made the trip out to try it. It was amazing.

We are both surrounded by great family and friends. Both of our families live in the same community with us which makes for a lot of quality time!

Sheena has one brother who is married with three sons. Bryan has one sister who runs a petting zoo at their parents' house!

We also have a 5 year old dog, Sophie, who loves the farm and has been a wonderful addition to our household.

### What we love to do!!

We love this life to all of its potential, always looking for a new adventure! Camping, hiking, biking, fishing, boating skating, road trips, bowling, quadding and anything else we can find.

Bryan and I also love celebrating all holidays. Christmas is our favourite! We have both brought our own childhood traditions to our Christmas and have also created our own traditions. We are eager to share these traditions with our new little family!

Tubing while on winter vacation!

We recently celebrated our 5<sup>th</sup> wedding anniversary with a quick trip to Disneyland
