

HAPPY HOLIDAYS

THE ADOPTION CENTRE OF BC

Wishes you all a safe, happy and fun holiday season.

*We look forward to continuing our work with you in the
New Year!*

OFFICE HOURS for the XMAS SEASON:

Our office will be closed on December 25, December 28 and January 1.

We will be operating with skeleton staffing the week of December 28th to allow our staff to maximize their time with family during the holiday season and because many other adoption agencies ACBC works with are also either closed or operating with skeleton staffing during that week without much adoption activity occurring. As a result, we will be responding to emergencies only. This means that should a proposal or birthmother present during this time we will have staff in place for those situations .

If you have an emergency please leave a voice message for Jennifer Wall as per the office voicemail prompts.

All the best,

*The Adoption Team :)
