Adoption News

Up-date on South Africa.....

We asked our partner agency, Mission of Tears about how the South Africa program is doing and this was their response:

“The South Africa program is doing very well. We have completed 7 adoptions in 2015 and will be completing two more in early June. We are still accepting new applicants into the South Africa program, however, we are not accepting single applicants into the program at this time. The eligibility requirements remain the same. We would be happy to speak to any family considering this program. They can call our office anytime between 9am EST and 4:30pm EST Monday to Friday.”

If South Africa is of interest to you, call us to book an appointment to discuss this program further!

Remember

We work with **US, Ethiopia, South Africa, Haiti, China and Bulgaria.**

If you are in the Domestic program and have not taken advantage of this service but would like to, please send Deanna an email at dnotte@kcr.ca and she will send you instructions and a waiver form to complete.
