What we do

The Kelowna Crisis Line has been serving the community as a telephone support service since October 18, 1976.

The Crisis Line is answered by highly trained volunteers providing short-term crisis intervention when a caller is unable to cope with a situation.

Volunteers respond to callers' concerns by empowering individuals to meet their own needs and find solutions.

Volunteers provide callers with a listening ear, information, and referrals to community resources.

*Serving our Community for
Over 30 years*

Who should Volunteer?

Anyone over the age of 19 wishing to be a listening ear and support to someone in a crisis or distress situation.

All volunteers go through a screening and training process to determine suitability.
